

# How to use the Wetlands Ecological Bioblitz Website

WEBB Online Manual V0.5

http://wetlands  
bioblitz.org/wp-  
login.php

The screenshot shows a web browser window with the address bar displaying "wetlandsbioblitz.org/wp-login.php". The page features the WordPress logo at the top center. Below the logo is a white login box containing the following elements:

- A label "Username or Email Address" above a text input field.
- A label "Password" above a text input field.
- A checkbox labeled "Remember Me" to the left of a blue "Log In" button.

Below the login box, there are two links: "Register | Lost your password?" and "← Back to SCPW Wetlands Bioblitz".

The screenshot shows a mobile application interface for 'bio blitz wetlands'. At the top, there is a header with the logo and navigation icons. Below the header is a modal titled 'Account Login'. Inside the modal, there is a link 'NOT A MEMBER YET? REGISTER NOW - ITS FREE' and an 'OR' separator. Below this is a 'LOGIN WITH' section. The main form has two input fields: 'USERNAME:' with the value 'contributor' and 'PASSWORD:' with masked characters. Below the password field is a checkbox labeled 'Remember me' and a link 'Forgot Password?'. At the bottom of the modal is a 'Login Now' button.

Successful login

You are logged in  
and arrive at your  
profile page.  
Complete your  
details.

Choose the category of WeBB data you will enter type in the Species or main heading at the title.

The mobile version of the form is shown in a portrait orientation. It features a header with the 'bio blitz wetlands Philippines' logo and navigation icons. The 'LISTING TYPE' section contains four radio button options: Fauna, Flora, RAWES (Rapid Assessment for Wetland Ecosystem Service), and Water Quality. The 'INFORMATION' section includes a 'TITLE:' label and a text input field. The 'DESCRIPTION:' section has a rich text editor with various formatting icons.

Mobile

The desktop version of the form is shown in a landscape orientation. It features a header with the 'bio blitz wetlands Philippines' logo, 'About Us', and 'Maps' links. The 'LISTING TYPE' section contains four radio button options: Fauna, Flora, RAWES (Rapid Assessment for Wetland Ecosystem Service), and Water Quality. The 'INFORMATION' section includes a 'TITLE:' label and a text input field. The 'DESCRIPTION:' section has a rich text editor with various formatting icons. The 'ADDRESS' section includes an 'ADDRESS:' label, a text input field, and a map of the Philippines with location markers for Calamba, Batangas City, Legazpi, and Sorsogon City.

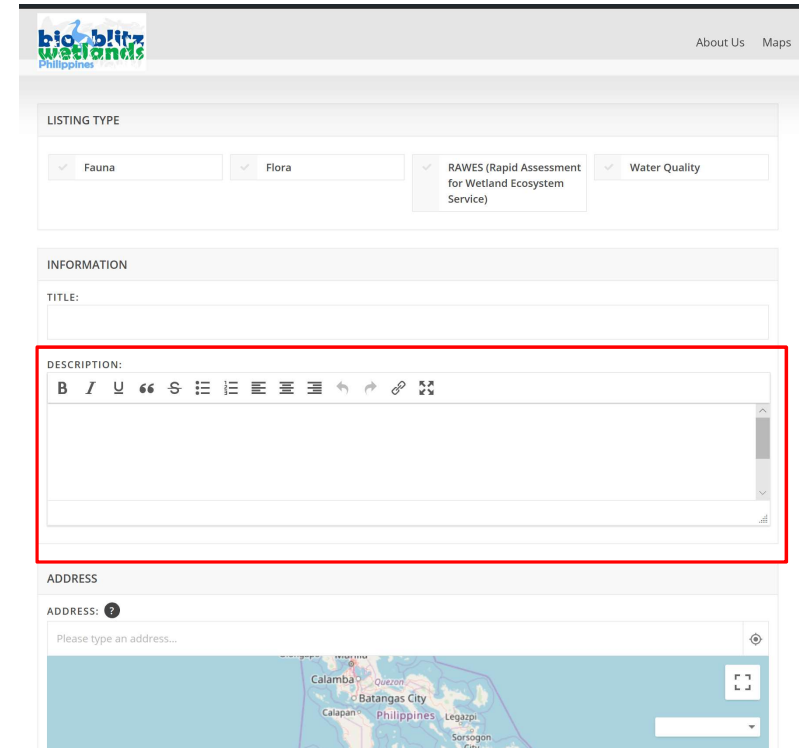

Desktop

After adding the title, type in all relevant data inside the description space

The mobile app interface shows a form with three main sections: INFORMATION, ADDRESS, and a map. The INFORMATION section has a TITLE field and a DESCRIPTION field. The DESCRIPTION field is highlighted with a red border and contains a rich text editor with various formatting options (bold, italic, underline, quote, link, list, etc.) and a text area. The ADDRESS section has an ADDRESS field with a question mark icon and a map showing the location of Batangas City. The URL bar at the top shows the address: https://webb.designdigest.stream/about.

Mobile

The desktop app interface shows a form with three main sections: LISTING TYPE, INFORMATION, and ADDRESS. The LISTING TYPE section has four checkboxes: Fauna, Flora, RAWES (Rapid Assessment for Wetland Ecosystem Service), and Water Quality. The INFORMATION section has a TITLE field and a DESCRIPTION field. The DESCRIPTION field is highlighted with a red border and contains a rich text editor with various formatting options (bold, italic, underline, quote, link, list, etc.) and a text area. The ADDRESS section has an ADDRESS field with a question mark icon and a map showing the location of Batangas City. The URL bar at the top shows the address: https://webb.designdigest.stream/about.
